COVID-19 GUIDELINES

We are really looking forward to welcoming you back to Cornerstone soon. We would like to assure you that providing the same high quality service is still our priority upon re-opening, however in order to ensure the health and safety of our guests, we are putting strict measures in place to protect you, your family, us and our families. These will include:

Please arrive alone to your appointment, and wait to be called into the salon.

Please keep to the recommended 1 metre distance. All our styling stations are 2 metres apart.

Please sanitize your hands upon entering the salon. Sanitizer will be available on reception and throughout the salon for your use.

Please try to limit the quantity of personal belongings you bring to the salon.

You will be required to wear a face mask at all times, we will provide one for you. Failure to do so, will result in a cancelled appointment.

You will notice removal of magazines and refreshment service; this is to reduce germ transfer.

We will be carrying our extra cleaning schedules throughout the day, please be patient with us while we deal with the added measures we need to put in place.

Please pay by card where possible.

All of our staff will also be wearing the appropriate PPE.

If you feel unwell, or live with anyone who has typical symptoms of covid-19, it is important to cancel and reschedule your appointment.

Thank you for supporting us during this time, with love Cornerstone.
